REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: None of the prior art of record taken singularly or in combination teaches or suggests:

- receiving data about a device type by a wireless module inserted into a host mobile device, retrieving from a memory device, website addresses associated with the device type data, and accessing the website addresses retrieved (claims 1 & 7);
- an agent menu module includes both type data and corresponding web addresses for accessing the internet, an automation module for receiving instructions from user interface module to instruct the agent menu module which internet addresses to access (claim 13);
- correlating device type data with website addresses at a host agent and/or server agent having a matching means for matching a mobile device with the type data thereby generating a set of web sites data associated therewith, and the mobile device having a wireless module for connecting to a server device for receiving type data and website addresses (claims 15, 19, 21).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
